

WHAT IS A-ESSA?

What does a-essa stand for?

A-ESSA stands for Alliéé Emotional Support Services Agency, it is a LLC located right here in Washington State.

What services do we offer?

Our program is to provide emotional support to anyone who needs it, during office appointments, service provider visits and various meetings. Bringing calm, focus and confidence to our clients is our success. Appointments are booked by the hour.

We know, it's a unique service, but why, us? Here are some of the reason:

All of our representatives on the field:

- Have had their background checked,
- Have received direct training on confidentiality
- Have been selectively chosen out of many candidates

Our representatives are:

- Knowledgeable about HIPAA regulations
- Sensitive to your communication style
- Are there to provide support and keep you on track during an appointment or visit.

Peace of mind and your safety:

All of our services are carried out in public places or at places of services (doctors, lawyers, other agencies). Call us for more information.

Ok, great! But what do I get out of it?

1. You get peace of mind. If you are like a lot of people, you feel drained after appointments and visits, with this service, you won't. You will be surprise at how much energy you still have for the rest of your day.
2. Concise notes taken of instructions given during your appointment. We do not keep any copies, you will have the information necessary in 1 simple form.
3. A pouch to keep all of your papers and documents inside.
4. An **a-essa** stylus-pen for you to keep.

All of the above is available to you for an introductory price of \$50 per hour.
